**The 5 commonly held beliefs that
the presentation will critically look at:**

- ➔ "Don't Blame the victim" - All victims are 100% innocent
- ➔ Death is a failure and should be avoided at all costs
- ➔ Marital affairs are rare & always signify that the marriage is "in trouble"
- ➔ The Myth of the "Warrior and the Beautiful Soul": Unlike men, who are inherently warlike, women are innately peaceful
- ➔ When in doubt, follow your instinct
